Subject: Tribal Leaders from Bristol Bay in DC week of March 29th - April 1

Michelle,

We met in Dillingham during Administrator Lisa Jackson's visit. We have elected Tribal Leaders and elected ANSCA Village Corporation Board members back in DC from March 28 to April 1. We would like to make time available to meet with you that week and if possible on the 29th in the afternoon or morning of the 30th. We are trying to coordinate our meetings with Bristol Bay Commercial Fisherman who are tribal members and Bristol Bay Native Corporation staff.

Please contact me at **Ex. 6 PII**
